More By Us designed a website for our company, creating a promotional video, and developing a brand identity strategy to enhance our online presence.

RESULTS & FEEDBACK

What were the measurable outcomes from the project that demonstrate progress or success?
We were really pleased with the team's efficiency. The website they designed and developed is exactly what we needed. They were quick to respond and genuinely attentive to our needs, making sure every detail was just right on our website. The project turned out to be a great reflection of our brand's character, capturing our values in a visually appealing way. We didn't expect the quick turnaround either. The project was finished in less than 2 months.

Describe their project management. Did they deliver items on time? How did they respond to your needs?
All was delivered with great precision, quality and on time.

What was your primary form of communication with More By Us?
- Virtual Meeting
- Email or Messaging App

What did you find most impressive or unique about this company?
The team is really easy to work with. They are all experts in what they do and I would highly recommend them to any and all companies looking for reliable partner in branding and web design and development. They are very flexible and made sure to fit their services o our exact needs. For sure I can say that the speed and quality those guys work with is impressive and we would use them in the future for sure.

Are there any areas for improvement or something More By Us could have done differently?
We loved the communication, they are very easy going team and I do not see any areas for improvement right now.
